

# 3 Steps to Accessing SAT<sup>®</sup> Suite of Assessment Results

## STEP 1

### CREATE A COLLEGE BOARD ACCOUNT

You'll need a College Board account to view scores and access college- and career-planning tools. Sign up or, if you already have an account, just sign in at [collegeboard.org](http://collegeboard.org).

1. To prevent duplicate accounts, use a standard naming convention and an easy-to-remember password (e.g., date of birth or school mascot).
2. Tools are available on the website to retrieve forgotten passwords and usernames.
3. Customer service support is available at 866-756-7346 if you need to merge multiple accounts.
4. You can log on to view your scores directly at [studentscores.collegeboard.org](http://studentscores.collegeboard.org).

## STEP 2

### CREATE A KHAN ACADEMY<sup>®</sup> ACCOUNT

Make sure you have a Khan Academy<sup>®</sup> account to link your scores and get free SAT<sup>®</sup> practice: [satpractice.org](http://satpractice.org).

## STEP 3

### DOWNLOAD THE DAILY PRACTICE FOR THE NEW SAT APP

By downloading the Daily Practice for the New SAT app to a smartphone, you can make practice part of your routine — any place, any time: [sat.org/scoring](http://sat.org/scoring).
