Request for College Board Accommodations

The College Board administers the PSAT, NMSQT, AP Exams, and the SAT. In order for Cardinal Newman to apply for accommodations on behalf of your student for any of these exams, College Board requires a psychoeducational and/or a medical evaluation to be submitted with the request.

Once you have provided the appropriate documentation to the ESE Specialist, please fill out the information below and sign the College Board Consent for Accommodation Request on the next page.

Upon receipt of all required documentation, an application for accommodations will be submitted to the College Board. The College Board's decision can be expected in approximately 6-8 weeks.
