# 2021 – 2022 Annual Report

DEAR CRUSADER ALUMNI, PARENTS AND FRIENDS,

## THANK YOU!

In my three years as President, there have been many changes at Cardinal Newman. We welcomed the largest freshman class since 2008, expanded STEM offerings, and completed many renovations in the south academic building. Fr. Alfredo Hernandez '80, rector of St. Vincent de Paul Seminary, presided at the Baccalaureate Mass for the Class of 2022 at St. Edward's in Palm Beach. Our students have succeeded in the classroom, on the athletic field, in debate and drama, and went on to some of the most prestigious colleges and universities in the state and nation.

Each of these achievements was made possible, in part, by the interest, generosity and support of you, our donors. Your generous consideration enabled current and future Crusaders to experience the rich traditions and quality education that have been a hallmark of Cardinal Newman since our doors opened in 1961.

It is my pleasure to share with you Newman's annual report. There were increases in alumni participation, the number of donors and the number of gifts made to Cardinal Newman. Year after year, Crusader alumni, family and friends step forward to support our proud and distinctive legacy. For that, we are, truly grateful. We currently disburse almost \$2 million in merit-based and need based aid due to your continued philanthropic support. During the pandemic, \$52,000 in emergency funding was allocated.

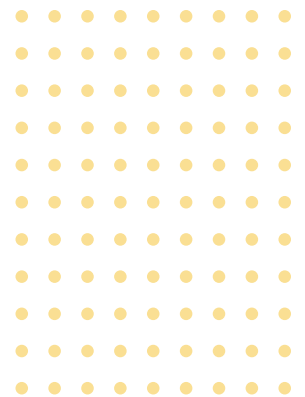

I thank all of you who have answered our request for support and encourage you to take the time to read through our annual report. Know that every gift makes a tangible difference in the Newman experience for each of our students, faculty, and staff.

As we prepare for the complete renovation of the north academic building this summer, we are excited for what the future holds. I am grateful for your words of encouragement, prayers, attendance at Newman events, and financial contributions. With your help, God's grace, and the involvement of the Newman community, we will build on our success and shape a strong and dynamic future. Whenever convenient, be sure to stop by the school for a tour and meet some of the many faces of Cardinal Newman.

Sincerely yours in Christ,

Br. Thomas Zoppo, FSC  
President

St. John Henry Newman, pray for us!

## Shaping the Future

We are particularly grateful to the alumni, parents, foundations, and friends of Cardinal Newman who have participated in Cardinal Newman's Shaping the Future capital campaign. Among our special contributors listed below are Vince Bogdanski, Jay and Gail Higgins and Charlie Gusmano, whose involvement, support, and commitment to everything Cardinal Newman will be forever and fondly remembered. May they rest in eternal peace."
