LETTER FROM INTERIM PRESIDENT

JOHN F. CLARKE

Dear Members of the Cardinal Newman Family,

When walking the hallways, visitors to the Cardinal Newman campus will notice various quotations from our patron, St. John Henry Newman. Perhaps my favorite words of John Henry Cardinal Newman are, “Growth is the only evidence of life.” Indeed, this past year has been a year of tremendous growth for Cardinal Newman High School. Surging enrollment and lengthy waiting lists are now the norm in the admissions process. The transformation of our North Academic Building began this past June and is on schedule for completion for the 2024-2025 school year. Robust academics, athletics and activities round out the ongoing advancement of our sacred mission as a premier Catholic high school.

It is the very mission of the school – to educate the whole person: spirit, mind, and body, and to help students develop their God-given talents according to the Gospel values of Jesus Christ – that animates everything we do on a daily basis at the school. However, it is only with the generous support of our entire Cardinal Newman Family that we are able to support the programs that provide the best possible Catholic education for each of our students.

You will see in this annual report the tremendous generosity of our donors from all areas of the greater Cardinal Newman Family – our alumni, community partners, friends, alumni parents, current parents and even our current students. I hope that you are able to spend some time and peruse this annual report as it reflects a sixty-plus year history of philanthropy on the part of our greater Cardinal Newman Family.

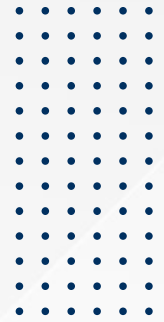

Earlier this month, the University of Notre Dame announced the election of Rev. Robert A. Dowd, CSC as its 18th president. In accepting this appointment, Fr. Dowd said that “Informed by our Catholic mission, we will work together so that Notre Dame is an ever-greater engine of insight, innovation, and impact, addressing society’s greatest challenges and helping young people to realize their potential for good.” I can think of no better words than Fr. Dowd’s to crystalize Cardinal Newman High School at this moment as we conclude 2023 and move forward with hope into 2024. I thank you for your continued generosity as we make the mission of Cardinal Newman High School a living reality for all of our students and families. I invite you to visit our campus and see the outstanding results of your generosity and support!

Sincerely yours in Christ,

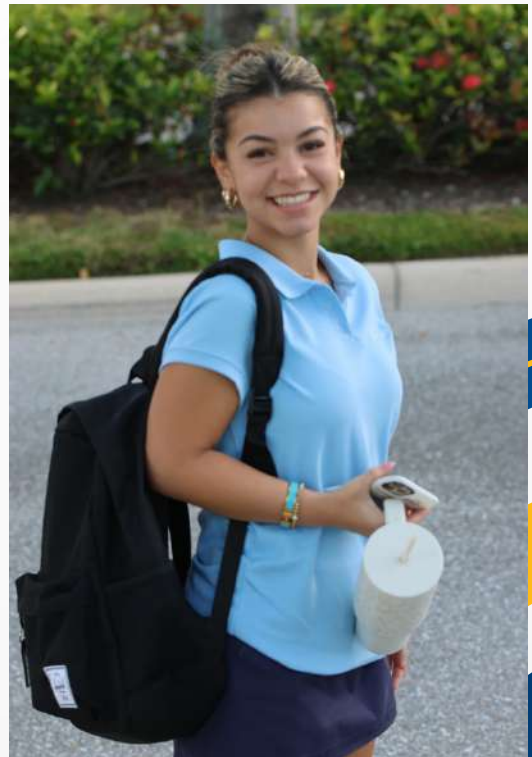

A handwritten signature in blue ink that reads "John F. Clarke". The signature is written in a cursive, slightly slanted style.
