Founded in 1961, Cardinal Newman High School's mission is to educate the whole person: spirit, mind, and body, and to help students develop their God-given talents according to the gospel values of Jesus Christ. Our vision is to build life's champions through faith, academics, servant leadership, and a strong family atmosphere.

Cardinal Newman High School currently enrolls a diverse student body of 754 students, grade 9 - grade 12. Students experience a highly rigorous, college preparatory curriculum with a 4-year religious studies requirement. 100% of our graduates pursue a college or university education.

In addition to their academic requirements, students must earn a minimum of 25 community service hours per year of enrollment. The 168 members of the Class of 2025 served over 28,000 community service hours.
