

CARDINAL NEWMAN

H I G H S C H O O L

2025-2026 ANNUAL REPORT

Dear Alumni and Benefactors of Cardinal Newman,

We are thrilled to begin the 2026–27 school year with more than 800 students on campus; an enrollment milestone Cardinal Newman has not reached in nearly two decades! At our Opening Faculty Meeting, a big “19” greeted our faculty as they entered, representing the nineteen years since our enrollment was last at this level. What an exciting way to begin a new school year and a wonderful affirmation of the energy and momentum we are experiencing at Newman. As our enrollment continues to grow, we have once again added faculty to maintain the personal attention and reasonable class sizes that are so important to the Newman experience. This growth is a reflection of the extraordinary work of our faculty and staff, the accomplishments of our students, the confidence of our families, and the tremendous support of alumni and benefactors like you.

While strong enrollment is certainly one measure of a thriving school, what makes Cardinal Newman truly special goes far beyond numbers. Our Catholic faith remains at the heart of who we are and everything we do. We are excited to welcome Fr. Marc as our new chaplain this year, while continuing to expand opportunities for retreats and spiritual growth. That commitment to faith is complemented by our pursuit of excellence in academics, fine arts, activities and athletics. This past year, an outstanding 89% of our students who took an AP exam earned a score of 3 or higher, making them eligible to receive college credit, and our graduates continue to earn acceptances to an impressive list of colleges and universities. We are also expanding the ways we serve our students, including our new dyslexia program, recently featured in the Palm Beach Post, which will provide additional support for students with learning differences.

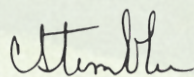

Along with programming advances, during the summer, we made a number of facility upgrades including:

- Additional landscaping to beautify the campus
- Sealcoating the parking lots
- Adding a new truck parking lot for students
- Adding a new outdoor paver/turfed area for students next to the sunshade area
- New baseball bleachers
- Two new roofs on the kitchen and locker room areas (expensive and you will never notice)
- Replacement of some sidewalk areas and the power washing of the campus
- Painting of the gym/café building and the S.A.R.A Center to tie in the Marcello Building color scheme
- Repair of the track
- Repair of the stadium bleachers

As you read this annual report, please take pride in knowing that you are an important part of the future of Cardinal Newman. The Annual Fund is the cornerstone of a robust development effort. Your support and contributions enable us to create a better student experience. Now, more than ever, we need your support.

Thank you for all you have done and all that you will continue to do. Know that you are in our prayers. May God’s blessings be upon you and Cardinal Newman.

Sincerely,

Charles S. Stembler
President
